Adding Bill

- **Scan Bill**
  Use your phone's camera to scan physical receipts. Optical Character Recognition (OCR) extracts item details automatically.
- **Upload Bill**
  Upload images or PDFs of bills. The system processes and parses the content for you.
- **Manually Enter**
  Enter bill details yourself for full customization and accuracy.

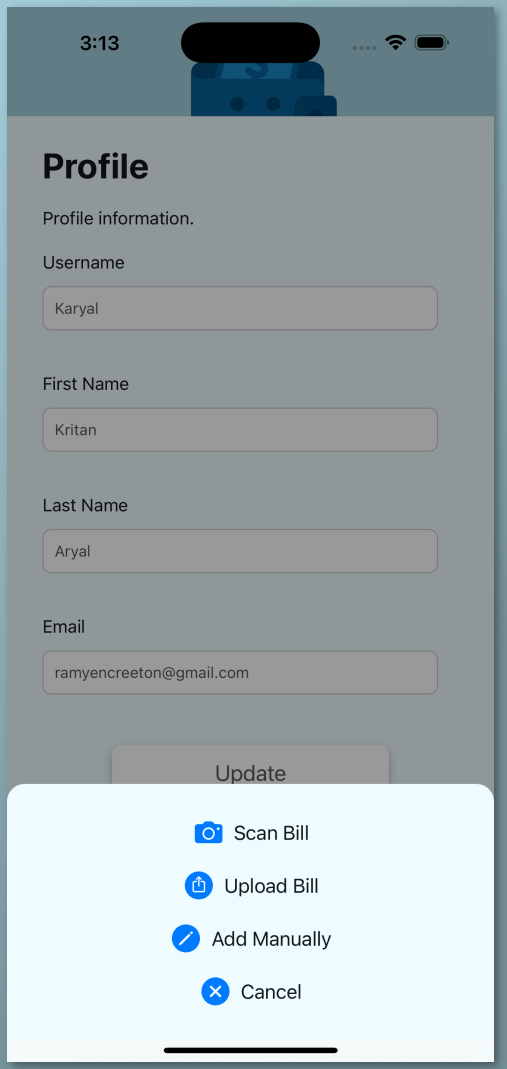

Image Upload

```
await ImagePicker.launchImageLibraryAsync({
  mediaTypes:
ImagePicker.MediaTypeOptions.Images,
        allowsEditing: false,
        quality: 1,
});
```

Camera

```
await ImagePicker.launchCameraAsync({
        allowsEditing: false,
        quality: 1,
  });
```
